Dear Mr Maccoll

The Environmental Permitting (England and Wales) Regulations 2010

CONFIRMATION OF REGISTRATION

Name of the establishment or undertaking: **Maccoll Media Ltd**

Location of the activity: **Harrem House, Ogilvie Road, High Wycombe, Buckinghamshire, HP12 3DS**

Date of Registration: **14/09/2012**

With reference to your submission received on 04/09/2012, to carry out the repair or refurbishment of Waste Electrical and Electronic Equipment under waste exemption T11 of the above Regulations at the above site.

We have now inspected your premises and can confirm that the operation has been registered as exempt.

The exemption will remain valid at this site until **13/09/2015** we will remind you that the exemption is due for renewal one month prior to this date. You can renew at any time during the month prior to expiry but if you fail to renew during this period, you will have to make a new application.

Although the above operation is now registered it remains so only whilst you operate within the terms and conditions of the exemption and whilst you do not cause pollution, harm to the human health or detriment to amenity. It is a criminal offence to carry out this type of operation without an exemption or environmental permit. It is your responsibility to ensure that you know what the legislation requires and that you operate within it.

Now that your exemption is registered, you may wish to enter your details on the Waste Directory. The Directory can be useful if you are offering a waste management service, as it helps people find disposal outlets for their wastes. If you are interested in registering on the recycling directory please visit the Directory web-site at www.wasterecycling.org.uk
